

Applied Principles of Horticultural Science (Paperback)

By Laurie Brown

Taylor Francis Ltd, United Kingdom, 2008. Paperback. Book Condition: New. 3rd Revised edition. 277 x 211 mm. Language: English . Brand New Book. Applied Principles of Horticultural Science is that critical thing for all students of horticulture - a book that teaches the theory of horticultural science through the practice of horticulture itself. The book is divided into three sections - Plant science, Soil science, Pest and disease. Each section contains a number of chapters relating to a major principle of applied horticulture. Each chapter starts with a key point summary and introduces the underpinning knowledge which is then reinforced by exercises. The book contains over 70 practical exercises, presented in a way that makes students think for themselves. Answers to the exercises are given at the end of chapters. Clear step-by-step instructions make practical work accessible to students of all abilities. This new third edition provides an even wider sweep of case studies to make this book an essential practical workbook for horticulture students and gardeners alike. Updated material fits with the latest RHS, City and Guilds and Edexcel syllabus. It is particularly suitable for the RHS Certificate, Advanced Certificate and Edexcel Diplomas as well as for those undertaking...

Reviews

Basically no phrases to clarify. It really is really fascinating through reading time. Once you begin to read the book, it is extremely difficult to leave it before concluding.
