On the trip through the Federated Alliance, a disaster strikes and tosses the ship far across the galaxy to a region of space where humanity has never been. Cut off from outside help, the crew and passengers of the lost starship quickly find that they are carrying armed and hostile terrorists. For reasons that no one can understand, the relentless fighters not only want to take control of the ship, but they are specifically targeting Jeff. Struggling against all odds, Jeff must find a way to survive in a dangerous universe that seems bent on destroying him.
