Brand New Book ***** Print on Demand *****.For over 15 years, my passion for nature has led me to explore the most remote corners of the planet. During my travels, I often met tourists looking for information. They did not know how to get to some magical places, where you can observe legendary animals like lions or leopards. They did not know how to get ready to stay in remote areas. That is why I want to share my experience. Here you will find essential information (simplified maps, the valuable GPS coordinates of the most remarkable sites in terms of wildlife and landscapes, essential tips about preparation and safety.) in order to organize your adventure and above all, to make it a truly memorable experience.
