

DSM-5 Clinical Cases (Hardback)

By -

American Psychiatric Association Publishing, United States, 2014. Hardback. Book Condition: New. 254 x 180 mm. Language: English . Brand New Book. DSM-5 Clinical Cases presents patient cases that exemplify the mental disorders categorized in the newly released DSM-5, bringing DSM-5 alive for teachers and students of psychiatry, psychology, social work, nursing, and related mental health and healthcare fields. Cases are cross-referenced with DSM-5 and help the reader understand diagnostic concepts, including symptoms, severity, comorbidities, age of onset and development, dimensionality across disorders, and gender and cultural implications. Every feature in the book helps to bridge the distance between the formal classification and the real-life presentation of patients. All cases are original and previously unpublished, making for fresh, compelling reading for both experienced clinicians and those new to diagnostic classification. Case authors were selected for their expertise in the disorder described in the case. For ease in identifying specific cases, case titles are clinically relevant, based on the primary complaint, and identify the DSM-5 diagnosis described. Each case adheres to a consistent format developed by the editors to fully illuminate the disorder being profiled. Features may include history of present illness, family psychiatric history, medical history, mental status exam results, DSM-5...
