Dog Ear Publishing, United States, 2005. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Dandelions on 240 North is just a story. It came from a combination of fabrications and actual events that occurred over the years while we spent summers at the lake. It is a book for young people in some ways and a book for adults too. I wrote it with the intention of entertaining the readers. But I also hoped that the readers would enjoy experiencing the innocent approach that children take towards the unique people around them. The neighbors down the road at the lake confuse the nine-year old Jamie. One has been labeled a lesbian because she lived with another lady for nineteen years and was never married before. Another neighbor has been called a killer. He uses his shotgun to kill the moles in his yard. Jamie struggles to understand these people. As the summer passes, she begins to form her own opinions about these people. In the novel, Jamie is the one who shows us how to be more tolerant, but it isn't easy for her. The dog Dunker is simply a stray dog that happens to add to the emotions that are so plentiful among the neighbors. Humor, anger, hatred, sorrow, and love all come to 240 North on the back of this stray dog. Dunker is the tool that Jamie uses unknowingly to shape her values. Biography David Schnieders was almost born in a taxicab en route to the hospital in Indianapolis. His mother said she still had her shoes on when he showed up. He was the third son and he would be one of six children. His father was an independent insurance agent and his mother stayed...
