This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2009 in the subject Information Management, grade: 1,7, Pforzheim University, course: Informationmanagement, language: English, abstract: In the past decades a coming-together of the technological networks that connect computers on the Internet and the social networks that have linked humans took place. Sites like Facebook, LinkedIn, MySpace, Wikipedia or YouTube have led to changes in our styles of communication. The main purpose of this paper is to give an overview on OSN and point out a prospective relevance for business aspects. Therefore, we give a brief definition of OSN...
