It was the unanimous sentiment of the Presbytery that the Centennial Sermon and addresses of the occasion should be published and preserved in the permanent form of a memorial volume. And it was decided that the book should comprise as far as possible a complete and reliable history of the Presbytery of Huntingdon during the past century. Such a volume would set forth the history of the rise and progress of Presbytery throughout seven counties of Central Pennsylvania. It would preserve in permanent form historical facts and data of immense value to future generations of Presbyterians. It would afford a reliable basis for future history when our successors in 1995 should observe the Second Centenary of the Presbytery. The work, we believe, will not disappoint the expectation of our people. It will be of great and permanent value to Presbyterians. It will inspire our people with renewed love and loyalty for their church as they read of the toils and trials and triumphs of the Fathers, those heroic and devoted men who laid the foundations of our beloved Zion in these mountainous regions a century ago. We trust that the work will accomplish great good, and may God use it for his own glory. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
