Much like a collaborative cookbook is a collection of best-loved recipes, *Recipes for Success in Foreign Language Teaching: Ready-made Activities for the L2 Classroom* is a collective volume of fifty teaching strategies, activities and ready-made lessons from language educators from all over the world. The lessons, both traditional and contemporary, are teachers personally developed and road tested second language classroom activities that will benefit all French and Spanish instructors. An eclectic mix of instructional approaches, the recipes address common beginnerlevel lessons such as the teaching of verb tenses and other common grammar points, and essential target language vocabulary.
