Territories: The Claiming of Space (Paperback)

By David Storey

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 2nd Revised ed.. 232 x 154 mm. Language: English . Brand New Book. Politics and political relationships underpin the world we live in. From the division of the earth's surface into separate states to the placement of keep out signs, territorial strategies to control geographic space can be used to assert, maintain or resist power and as a force for oppression or liberation. Forms of exclusion can be consolidated and reinforced through territorial practices, yet they can also be resisted through similar means. Territoriality can be seen as the spatial expression of power, with borders dividing those inside from those outside. The extensively revised and updated second edition continues to provide an introduction to theories of territoriality and the outcomes of territorial control and resistance. It explores the construction of territories and the conflicts which often result using a range of examples drawn from various spatial scales and from many different countries. It ranges in coverage from conflicts over national territory (such as Israel/Palestine, Northern Ireland, South Ossetia) to divisions of space based around class, gender and race. While retaining the key elements of the first edition, this new...
