

The School Principal's Toolkit: Building the How-To Path to Excellence (Paperback)

By Jim Burgett

Communication Unlimited, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The eternal, unvoiced plea of every school principal is HELP! But who helps the building leaders with everyday answers, encouragement, practical tips, how-to lists, and almost any resource needed so they can continue to lead with joy and passion-and change their students world? Help for principals has arrived! It's Jim Burgett's The School Principal's Toolkit: Building the How-to Path to Excellence. This book provides a practical and fun set of tools to understand, confront, and resolve almost every dilemma afoot or ahead! It's written for the rookie, veteran, or for those just needing a shot in the arm of potent leadership rejuvenation! And, like all of Jim's books, it's based on good, solid, practical information. The School Principal's Toolkit isn't confined to principals either. Burgett's words offer help to everyone involved in school building leadership like assistant or associate principals, deans, special ed directors, head teachers, and building leaders. Want to see the Table of Contents? 1. Rights and Responsibilities 2. Setting Priorities 3. The School Family 4....

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who state that there had not been a worth looking at. You won't really feel monotony at any moment of your own time (that's what catalogs are for about should you request me).

-- Cale Hansen Sr.

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in an remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

-- Prof. Vanessa Smitham V
