Thirty-five-year old kindergarten teacher Casey Samms has always dreamed about having her own baby. With her copy of A Young Woman s Guide to the Joy of Impending Motherhood on her bedside table, Casey has been steadily wading through the pool of eligible bachelors for years-with absolutely no luck. Now as she bids farewell to a cheating boyfriend and to dating in general, Casey just needs to figure out how to get pregnant without having a man in her life. Casey immediately discounts her male friends as potential fathers and decides to pursue having a baby the artificial way, even though her sister and friends do their best to try to talk her out of it. But Casey is determined to see her dream come to fruition and begins looking at every male as a potential donor. Just when she is beginning to give the word desperate an entirely new meaning, an old ex-boyfriend, David Mason, saunters back into her life. All Casey has to do now is try to convince him that he is the one who can help her become a mother. As Casey prepares to realize her lifelong dream, she is about to get the surprise of her life-a surprise that changes everything.
