Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. PERFECTLY ROMANTIC Alison needs a man. She's inherited a fixer-upper from her parents, but with her own business floundering and far too much work needing doing, she's in danger of going under. It doesn't help that she's hopelessly disorganized and has a phobia against DIY of all kinds. Yes, she needs a man, but she has no intention of getting embroiled in yet another abortive romance. She's sworn off men entirely, at least for now. Alison's problems seem to be solved when a strange stone ring she finds at the market transforms her into exactly the kind of man she needs - strong, determined and a whiz at DIY - but she really isn't sure she wants to spend time in a man's body. But being a man is so much fun and before she knows it, Alison is getting the jobs around the house done, finding occupation as a local workman and even getting involved in a romantic entanglement with the beautiful, but complicated, Sangeeta. It all seems to be going a bit further than she had planned! A PLEASURE TO READ.
