

## SAP on the Cloud 2016 (Hardback)

By Michael Missbach, Thorsten Staerk, Cameron Gardiner

Springer-Verlag Berlin and Heidelberg GmbH Co. KG, Germany, 2015. Hardback. Book Condition: New. 2nd Revised edition. 235 x 155 mm. Language: English Brand New Book. This book offers a comprehensive guide to implementing SAP and HANA on private, public and hybrid clouds. Cloud computing has transformed the way organizations run their IT infrastructures: the shift from legacy monolithic mainframes and UNIX platforms to cloud based infrastructures offering ubiquitous access to critical information, elastic provisioning and drastic cost savings has made cloud an essential part of every organization's business strategy. Cloud based services have evolved from simple file sharing, email and messaging utilities in the past, to the current situation, where their improved technical capabilities and SLAs make running mission-critical applications such as SAP possible. However, IT professionals must take due care when deploying SAP in a public, private or hybrid cloud environment. As a foundation for core business operations, SAP cloud deployments must satisfy stringent requirements concerning their performance, scale and security, while delivering measurable improvements in IT efficiency and cost savings. The 2nd edition of SAP on the Cloud continues the work of its successful predecessor released in 2013, providing updated guidance for deploying SAP in public, private...
