The claims of old competitors have been reinforced by fresh arguments, and new candidates for the property of these celebrated compositions have been brought forward. Of the former of these classes I shall only say, that nothing has been urged, which appears to me in the least to shake the reasoning by which the publisher of the last edition has repelled their pretensions in his Introduction. Of the latter class, the chief characters I at present recollect, are Dr. Francis, the translator of Horace, and his son. Sir Philip; Mr. Glover, the author of Leonidas; and Dr. Wilmot, a Warwickshire clergyman. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
