Bloomsbury Publishing PLC, United Kingdom, 2015. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. There is cheating. And then there is cheating. But where does one end and the other start? Doping. Fixing. Sledging. Intimidating. Time-wasting. Diving. Ever since sporting contests began there have been rules, and for many competitors those rules have been there to be broken. Or maybe just bent a little. Foul Play offers an inside track on the dark arts employed in sport to gain an unfair advantage - on the football or rugby field, on the tennis or squash court, on the athletics track and the golf course, even on the bowling green or the Subbuteo table. Some cheating in sport is considered virtually par for the course, while other forms are completely unacceptable. But who, ultimately, makes that judgement? From ball-tampering and bribery in cricket to rugby union's Bloodgate scandal; from Diego Maradona's Hand of God to Alex Ferguson's managerial mind games; from the dodgy dealing of the ancient Greeks and the wily cunning of W.G. Grace to the doping scandals engulfing Marion Jones and Lance Armstrong, it's all here. Foul Play - sometimes funny, sometimes shocking - provides all the evidence you'll ever need that the sporting world is often anything but.
