Strangers in reality, inseparable in dreams After years of suffocating under her bosss scrutiny, whale biologist Zoe Morgan finally lands a job as director of a tagging project in Hervey Bay, Australia. Success Down Under all but guarantees her the promotion of a lifetime, and Zoe wont let anythingor anyonestand in her way. Not the whale voices she suddenly hears in her head, not the ex who wont take no for an answer, and especially not the gorgeous figment of her imagination who keeps saving her from the fiery hell of her dreams. Gavin Cassidy hasnt been called to help a human Wyldling in over a year, which is fine by him. Still blaming himself for the death of his partner, he keeps the guilt at bay by indulging in every excess his rock star persona affords. That is, until hes summoned to protect Zoe from hungry Fyre Elementals and learns his new charge is the key to restoring order in the dying Dreaming. He never expects to fall for the feisty Dr. Morgannor does he realize he may have to sacrifice the woman he loves to save an entire country.
