Circle Publishing. Paperback. Book Condition: new. BRAND NEW, Reality and Illusion: An Overview of Course Metaphysics, Robert Perry, 'A Course in Miracles' is a spiritual path that focuses on the forgiveness of others and the release from guilt and fear. Its focus is practical, yet the entire path rests on a lofty vision of ultimate reality that is both liberating and life-affirming. In expressing this vision, the Course answers age-old questions, such as, What is real? Does God exist? What is our true nature? Why am I here? The Course's answers are profound, but often hard to understand, and the goal of Reality & Illusion is to organise and present the Course's metaphysics in a way that is coherent and understandable to anyone, including those new to the Course. It will also help clarify things for long-time students. Topics include: Time and space vs. infinity and eternity; The nature of God; Nature of Christ; The criteria for what is real; Common-sense Reality; Heaven; Reflections on the nature of the world; The message of 'A Course in Miracles'.
