Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book is composeda of several short stories based on the childhood experiences of three young brothers raised on a farm in New Jersey during the 1950s. Their lives were filled with difficulties consistent with everyday farm life. But the farm also brought them great happiness and freedom. It was a childhood filled with constant discoveries, extraordinary adventures and endless excitement. The stories reflect the joy they found in simple everyday activities. They lived for the moment. They were brothers, but more importantly they were companions. Always there to protect each other and always willing to accept a challenge. Three very different personalities which somehow connected to create a bond which could never be broken. It was a time when innocence fueled their imagination and adventure drove their spirit. It was a childhood filled with excitement and wonder. In later years their lives would be much different. One would be killed in battle, another would become a law enforcement officer, and the youngest, well he chose to follow his dreams. I hope you will enjoy my stories. And along the way you will come to know Three very amazing Brothers.
