Chipmunkpublishing, United Kingdom, 2009. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. Description The symptoms of schizophrenia are rooted in the heart. By and large, it is a state of mind caused by the negativity of influences and forces greater than the patients will to power. This biographical novel is a journey of the mind through the embittered struggle of my teens and twenties and is a reflection on my loss of innocence. Book Extract My early childhood was a happy one. I had two wonderful parents who loved me and my two brothers and sister (later to become two) dearly and we grew up in relative comfort and safety in a more stable environment than you would of expected. I certainly had no real reason to follow the path I set out upon as a teenager. I did however have an excuse. My parents separated when I was eight, later getting divorced about a year later and I have to say it was a selfish decision, as the marriage was probably worth saving. Regardless of this they maintained their commitment to us children and they continue to love us to this day. In all honesty I cannot criticise them for their decision, as it gave us children more freedom than we could have ever used - maybe too much in my case, as events would transpire. I was never witness or victim of any kind of abuse as a young child, be it serious or just domestic. Our family and those of the neighbours around the housing estate we lived on were average and stable, though the teenagers often rebelled against their teachings and better learning by using drink and drugs and becoming involved in petty crime. The group of friends I belonged...
