Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Special Brothers and Sisters: Stories and Tips for Siblings of Children with Special Needs, Disability or Serious Illness, Annette Hames, Monica McCaffrey, Special Brothers and Sisters is a collection of real-life accounts from the brothers and sisters of children with special needs, disability or serious illness, ranging in age from 3 to 18 years. They explain, in their own words, what it's like to live with their siblings. There is a lot of advice available for parents of a child with a disability or illness, but very little about the important issue of educating their siblings about how they feel, and why they may behave differently from other children. These stories - from 40 different families - come with related tips to help siblings deal with some of the things that happen in their family lives. The book also provides a helpful glossary to explain, in child-friendly language, the disabilities and medical conditions mentioned, including: \* ADHD \* autism \* cerebral palsy \* cystic fibrosis \* Down syndrome Special Brothers and Sisters is an engaging and educational collection that will enable young people and adults to share in the extraordinary experience of being a sibling of a child with special needs, a disability or serious illness.
