## IN THE PINES

Penguin Books. Paperback / softback. Book Condition: new. BRAND NEW, In the Pines, Alice Notley, A bold and strikingly original new work from one of America's greatest living poets Alice Notley is considered by many to be among the most outstanding of living American poets. Notley's work has always been highly narrative, and her new book mixes short lyrics with long, expansive lines of poetry that often take the form of prose sentences, in an effort to change writing completely. The title piece, a folksong-like lament, makes a unified tale out of many stories of many people; the middle section, "The Black Tractor," is a compilation of noir fictions and reflections; while the shorter poems of "Hemostatic" range from tough lyrics to sung dramas. Full of curative power, music, and the possibility of transformation, "In the Pines" is a genre-bending book from one of our most innovative writers.
