Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Enitharmon Press. Paperback. Book Condition: new. BRAND NEW, Letters Against the Firmament, Sean Bonney, Letters Against the Firmament is a user's report on the end of the world, a treatise against Tory terror, a proposal for a new zodiac, a defence of poetry, a hex against the devourers of planet earth. The Letters are fierce epistolary poems, a vivid account of the sheer panic and brutality of the Austerity years. They are apocalyptic screeds of black humour hammered out in an obscure corner of east London, fearful attempts to ward off the attentions of gentrifiers, bailiffs, border agents and racists. In this collection in four parts they are joined by lean versions of already well-known works The Commons and Happiness, and the incandescent new poem 'Lamentations'.
