## Electrical Engineering (Volume 9) China Electrical Engineering Dictionary

By ZHONG GUO DIAN QI GONG CHENG DAI HUANG JI WEI YUAN HUI

Hardcover. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Hardcover. Publisher: China Electric Power Pub. Date :2008-09-01. China Electric Engineering ceremony is the China Electrotechnical Society, China Mechanical Engineering Society, China Society of Electrical Engineering, Power Engineering Society of China and China co-organized by the National Hydropower Association in various fields of electrical engineering known experts and scholars on a compilation of. It is a comprehensive system to reflect the latest achievements in various fields in electrical engineering and technology and comprehensive tool. China Electrical Engineering Dictionary include the basis of modern electrical engineering, power electronics, electrical engineering materials and devices, thermal power project, hydropower projects, nuclear power engineering, renewable energy engineering, power systems engineering, electrical engineering, power transmission engineering, distribution engineering, marine electrical engineering, traffic electrical engineering, electrical engineering, electrical drives and automation 15 volumes. This book is Volume 09. Electrical Engineering Vol. Theory of the main contents include motor, synchronous motors, induction motors, DC motors and special motors. This book primarily for electrical engineering technicians and management personnel, are also available for teachers and students of institutions of higher education-related professional references. Contents:

### Reviews

*Merely no terms to explain, it was actually writtern quite properly and helpful. I realized this pdf from my dad and i suggested this ebook to discover.*

-- **Cletus Quigley**

*This publication is wonderful. I could comprehended every thing out of this published e publication. You can expect to like the way the blogger write this publication.*

-- **Eliseo Rippin**
